Mike has been driving the transit since 2007 with Krysilis and then Mosaic. He ensures the safety of riders, keeps record of stops and has the responsibility of dropping passengers off at the right location on time. If you need a ride call 641-529-9153.

EMERALD ASH TREES

The City of Forest City will continue to treat and remove city owned trees and have identified many Ash trees on private property that are dead or dying that we assume have not been treated. These trees will need to be removed as they become brittle and are a danger to surrounding property and utility services.

Aaron Trezona with Tree Doctor Services, LLC will be attending the March 16th, 2026 council meeting if you have any questions or concerns.

Several property owners have already begun this process. We appreciate your cooperation in maintaining the safety of our community.
