FOREST CITY WATER DEPARTMENT ASKS PUBLIC ASSISTANCE

Forest City – Kevin Reicks, Forest City Water Department Superintendent is asking the public for assistance.

- The sewer plant is experiencing unusually high water flows and is asking the public to put sump pump hoses outside so they are not draining into the sanitary sewer system.
- As a reminder, paper towels and baby wipes should not be flushed down the toilet. They do not dissolve and will clog pipes.
- The public water supply is safe. The filtration system and chemicals used will kill the coronavirus. If you would like to read more about this go to the City's website at this link

www.cityofforectcity.com/index.asp?SEC=99A6685A-EC99-4C37-BBE0-DA6B213AD2EC&DE=E9074A9B-F4E0-478C-95BE-0AB8DA9C7391

The Water Department thanks the public for their cooperation.
