Applicant _____
Address _____

Date _____
Phone _____
County _____

Legal Description of Property: _____

Property Owner's Name & Address (If Different than Applicant's): _____

Type Class of Sanitary Sewer Service Requested:

(Please Check Appropriate Class & Include Fee with Application)

Residential/Commercial Permit Fee \$50.00

Industrial Permit Fee \$100.00

Purpose of Application: _____

Requirements:

- **Installation Check Valve** required on sanitary sewer service. Call City Hall at 585-3574 to set up inspection. (48-Hour Notice).
- **Inspection of Water and Sanitary Sewer Services** required by City staff *prior to backfilling* (48-hour notice). Installation of check valve required on sanitary sewer service.
- **A Plat Showing the Location and Dimensions** of the applicant's property and the proposed sanitary sewer service location shall accompany this application. (See reverse side of application)
- **Limited Responsibility for Permit Revocation** - All permits to connect with sewer shall be given upon the express condition that the Council may at any time, before the work is completed, revoke and annul the same, and no party interested shall have a right to claim damages in consequence of any such permits being revoked or annulled.
- **Connection Charge** - There shall be a connection charge paid to reimburse the City for costs borne by the City in making sanitary sewer service available to the property served. Such charge shall be calculated by the City based on the location of the property being connected, the size of the lot, and the intended use of the property.
- **Commencement of Work** - Work must begin within six (6) months after approval is granted.

I certify that all information stated in this permit application is true and accurate and that the construction and use will comply with the Forest City Municipal Code and Ordinances in all respects.
