City of Forest City Tree Planting or Removal Permit

Per Chapter 151 of the City of Forest City’s code, ‘Parking’ is ‘that part of the street, avenue or highway in the City not covered by sidewalk and lying between the lot line and the curb line; or, on unpaved streets, that part of the street, avenue or highway lying between the lot line and that portion of the street usually traveled by vehicular traffic.’ For planting of trees in ‘Parking’ areas, a permit must be submitted and authorized by the City Administrator. For removal, a permit must be submitted and approved by the City Administrator and City Council.

I hereby request permission to plant or remove tree(s) from the City easement or right of way:

Property Owner(s) Name: _____

Property Address: _____

Telephone No.: _____

Type of Tree: _____

Please provide the reason(s) for your request: _____

Please provide a plat drawing of your property on the back of this form, giving the dimensions of your parking area in feet and inches. Mark the area(s) where the proposed tree(s) are to be planted or removed. In addition, remember to contact Iowa One Call before digging at 800-292-8989.

 Property Owner

 Date

Your request to plant or remove tree(s) from the City easement or right of way is:

granted

denied due to: _____

 City Administrator

 Date

Permit No.: _____

Date: _____

Please provide a plat drawing of your property below, giving the dimensions of your parking area in feet and inches. Mark the area(s) where the proposed tree(s) are to be planted or removed:

A large empty rectangular box intended for a plat drawing of the property. In the top right corner of this box, there is a small square containing the letter 'N', which serves as a north arrow indicator.
